Description Tour.

Half Day (AM, 8am - 12.30pm): Perth City Tour / Kings Park / Lake Monger / Fremantle Tour (PF)

Starting in Perth city, the tour takes in all key attractions and historical points of interest. Pass by the W.A.C.A cricket ground, Gloucester Park trotting ground, Perth Mint, Governors Residence, Council House, Barracks Arch and Parliament House. Traveling out of Perth along the edge of the Swan River via Barrack Street Jetty and the "Bell Tower" we continue onwards to Kings Park botanical gardens, Lake Monger to view black swans then Perth's northern beaches before arriving at historic Fremantle. Enjoy a walk down the main street through cafes and market stalls. Part with the group for more time here making you own way home via public transport. Alternatively, stay in the coach returning to Perth by road with arriving at approximately 12.30pm.

4WD Pinnacles, Koalas, & Sand dunes Tour (P3)

We leave the city limits and head north to Caversham Wildlife Park where we stop to view and photograph koalas and kangaroos. We break at the small fishing settlement of Lancelin before the thrilling experience of 4-wheel driving over massive Lancelin sand dunes and the chance to try sand boarding. We journey along quiet back roads where kangaroos and emus are often spotted, passing through wildflower country. We move onto the Rock Lobster town of Cervantes for picnic lunch. Afterwards, visit the wildflower shop or alternatively in summer time, weather permitting enjoy a swim or a walk on the white sandy beach. Afterwards we visit Nambung National Park, home of the amazing Pinnacles Desert. Here your driver guide takes you for an easy paced walk through parts of this fascinating landscape covering some 404 hectares. Ensure you wear comfortable footwear, bring a hat and plenty of film. Later enjoy a sunset journey back to Perth. If flowering, stops to view spring wildflowers will be made en route with arrival back in Perth at approximately 7.30 pm. **Note: Tour may operate with morning in coach and afternoon in 4WD, or vice versa depending on passenger numbers. Sometimes due to soft sand dunes delays may occur. Tour not suitable for pregnant women, people with back problems and infants.**

Wave Rock, Wildflowers & Aboriginal Cave Paintings Tour (W1)

Leaving the city limits behind us, we head east through the scenic Darling Ranges with a stop to enjoy morning tea (own expense) at historic York, the first township founded in the Avon Valley. Today we can enjoy the wonderfully preserved turn of the century Victorian buildings, which provide a colourful insight into the district colonial development and grand old pioneer days. Continuing east, we pass through kilometers of sweeping wheat belt plains typical of arid Australian farming country before reaching the small town of Hyden, home of today's tour highlight, Wave Rock. We break to enjoy a genuine Australian style picnic lunch at the Wave Rock Wildflower Shop. Whilst here you also have the opportunity if visiting either the Wildlife Park or alternatively viewing a unique Antique Lace Collection. Now, it's time to join our local Aboriginal guide on a tour of the rock and the nearby Hippo's Yawn Cave and the Gnamma Holes, Aboriginal water reservoirs. Our local guide explains the processes that created amazing Wave Rock, an enormous isolated monument and also provides us with an insight into the mythological Aboriginal Dreamtime beliefs of the rock formations. Leaving Wave Rock, we head off to view some other intriguing rock formations of the area including the Humps, a camel hump like granite rock and finally Mulka's Cave. Your coach captain will explain the ancient Aboriginal cave paintings featured within it, telling the legend of the outcast Aboriginal, "Mulka the Terrible". Our return journey takes us along back roads through the heart of the Western Australian wheat belt the small town of Babkins. Here we enjoy some country hospitality over an afternoon tea (own expense) with local town folk. During the wildflower season (September to November) some of Western Australia's best wildflowers can be seen in this area and roadside stops will be made to view some of the spectacular native wildflowers. From here, sit back in comfort and contemplate the days experiences before returning through the Darling Ranges giving us elated panoramic views of Perth's city lights with arrival Perth approximately 8.30pm.

Margaret River, Vineyards, Eagles & Cave Tour (M1)

Following morning tea at Dawesville Channel, we journey to Xanadu Winery, one of the early established vineyards of the region and enjoy a wine tasting and the chance to purchase from their extensive cellar and merchandise collection.
